

Be A Hero To Your Clients

Whether you provide on-going payroll processing, provide after-the-fact payroll services, or prefer not to be directly involved with your clients' payroll (but recommend payroll service to them) we have a payroll solution that's right for you and your clients.

You Are:

Accounting Professionals Who **Provide** Payroll Services to Clients

Do You...?

- Provide ongoing payroll for your clients
- Manage all their payroll needs

We Recommend:

For You:

QuickBooks Enhanced Payroll for Accountants¹

- Support more clients - serve up to 50 EINs with one paid subscription
- Prepare live or after-the-fact payroll
- Create client-ready reports
- Save time with the auto-fill preparer ID feature
- Streamline your write-up work. Enhanced Payroll for Accountants is integrated with QuickBooks Premier: Accountant Edition
- Get support for setup and usage, as well as call-back support for payroll subscribers via online request
- Offer Direct Deposit
- Plus - All the benefits of **Enhanced Payroll**

Accounting Professionals Who **Help** Clients with Payroll

- Oversee your clients' payroll after-the-fact (your clients may prepare and file their own payroll taxes as well as process their own payroll)
- Provide payroll setup for some clients

- Prepare and file payroll taxes on behalf of your clients
- Provide payroll setup for some clients

For Your Clients:

QuickBooks Enhanced Payroll¹

- Electronically prepare, file and pay federal and state taxes
- Track Worker's Compensation rates and deductions
- Perform one-step net-to-gross calculations

For Your Clients:

QuickBooks Basic Payroll¹

- Prepare payroll and pay employees
- Automatically download tax rates and calculate federal and state tax liabilities

Accounting Professionals Who **Recommend** Payroll

- Recommend payroll services to your clients
- Prefer not to be directly involved in your clients' payroll processes

Offer Your Clients:

QuickBooks Assisted Payroll¹

- Easily print paychecks
- Manage day-to-day payroll
- File and deposit payroll taxes and forms quickly and accurately
- Government tax deposits and filings are taken care of—and are guaranteed accurate and on-time⁴
- Live phone support available for payroll setup and ongoing payroll tax compliance⁶

Or:

Intuit Online Payroll⁷

- Payroll can be run anytime, anywhere there's an Internet connection – a **great solution if your client is not yet a QuickBooks user**
- Share data or work with others. Subscription entitles client to provide other users (including the Accountant) with access to company data

1. Requires an annual payroll subscription, Internet access and Federal Employer Identification Number (FEIN). Assisted Payroll requires High-Speed Internet Access (no dial-up). Some versions of payroll are for limited employees only. Additional fees apply for Direct Deposit. Check stock sold separately. Plus sales tax where applicable. All QuickBooks Payroll subscriptions in QuickBooks Simple Start require QuickBooks 2008, sold separately. For payroll on QuickBooks Pro, Premier and Enterprise Solutions (all sold separately): Basic Payroll requires QuickBooks 2006 or higher (updated to the most current maintenance release) or QuickBooks Enterprise Solutions Version 6.0 or higher (updated to the most current maintenance release); Standard, Enhanced and Assisted Payroll require currently supported versions of QuickBooks. With Enhanced Payroll, State forms available for most states; see www.quickbooks.com/taxforms for complete list of supported forms. E-File & Pay feature requires QuickBooks 2007 or higher and is available for federal and select state taxes. Please check availability at www.payroll.com/fileandpay. You may need to register with tax agencies in order to use E-File & Pay. With Enhanced Payroll for Accountants, special accountant features such as After-the-Fact payroll, Client-Ready reports, and Auto-Fill Preparer ID require QuickBooks 2007 or higher. Process up to 50 clients with one subscription. With Assisted Payroll, prices vary depending on number of employees, frequency of payroll and number of states in which you file payroll taxes. Not compatible with QuickBooks Online Edition or QuickBooks Pro for the Mac. 24/7 access is subject to occasional downtime due to systems and servers maintenance.

2. Direct Deposit requires a currently supported version of QuickBooks, a QuickBooks Payroll subscription and Internet access. Nominal per transaction and per payroll transmission fees apply.

3. We print completed federal forms mentioned except for W-2s. We prepare W-2s for you and make them available for printing through a protected website.

4. "No Penalties" Guarantee: if the data you provide is accurate, on time and your account is sufficiently funded, your payroll tax deposits and filings will be on time and accurate or we'll pay the resulting payroll tax penalty.

5. Available to active QuickBooks Basic, Standard, Enhanced Payroll and Enhanced Payroll for Accountants subscribers only. Offered between 6AM and 6PM Pacific Time. Available in the US only. Internet access required

6. Available Mon-Fri, 6 A.M. - 5 P.M. Pacific time.

7. Subscription, internet access and U.S. billing address required. Federal Employer Identification Number (FEIN) required for use with Direct Deposit. Check stock sold separately. Plus sales tax where applicable. Not compatible with QuickBooks financial software. State forms available for many key states. 24/7 access is subject to occasional downtime due to systems and servers maintenance and unforeseen events. Terms, conditions, features, pricing, service and support are subject to change without notice.
